

### Ride Out for the Bethany Family

A sponsored Cycle Ride around the famous TT course on the Isle of Man  
Saturday 27th June 2015

For more information: see attached leaflet, visit our web site or phone

Derek on 01254 676545

#### Secondary School Success:

Here is the smiling face of Happiness Peter who has just received her results for the National form 2 exams. Of the 192 students in her year she came top with 4.9 points out of a total of 5. We have 6 students in form 2 and 5 gained distinctions and one gained a merit. It has to be said that their success is mainly due to the extra help and encouragement they receive from Bethany.

Happiness Peter

### New Children 2015

At the start of 2015 we received 5 new children, 2 boys and 3 girls who are now members of the Bethany Family. They had not been to school and the only language they knew was their tribal language so they now have to learn Kiswahili and English

**NEW School Progress:** As you can see our new toilet block is now finished and everything works. However, we still have not managed to register for our school

**Sophia** (left) is about to finish her PGCE and will be returning to Tanzania in July as a volunteer teacher joining Emmakulatha and Jesca.

**Debora, Mpelwa and Rehema** (right) are completing their level 3 Diplomas in 'Children's care, learning and development'. They are on course to get distinctions equivalent to 3 'A' levels and Blackburn College have agreed to sponsor them to do the BA degree course in 'Education' starting in September this year. They will also need to pass the IELTS academic English exam which they take at the end of May. We are grateful to Gill Garner our new English teacher who has been coming twice a week to prepare them for the IELTS exam. Whilst in the UK the girls have also passed their R.E. GCSE and are sitting their Science and Maths GCSE exams in June.

**Above:** Children enjoying reading the many books which have been donated and taken to Bethany in visitors luggage.

**Bethany Girls** always looking for an opportunity to tell others about their home

**Above:** Our 8 strong Bethany UK Choir made up of Bethany girls studying to become teachers at Blackburn College. They are looking for opportunities to sing at your church or organisation. See page two for details
