

Neema Nyanbiti
3yrs old,
abandoned

Neema Nyambiti is a bright little girl, approximately three years old, who is now part of the Bethany Children's Home.

On 11th November 2024, Neema was found abandoned at Ilemela District in Mwanza Region. She was found wandering around and someone reported the situation to the Ilemela District Police Station, where the case was officially recorded under RB No. BZS/RB/859/2024. Unfortunately, no information about her biological family has been discovered by the police.

Following the police report, Neema was temporarily placed at Forever Angels Baby Home in Mwanza, where she was cared for whilst investigations were made regarding her biological family. Despite ongoing efforts, no family members or adoptive parents were identified for Neema.

As Neema grew older, it became clear that she needed a home where she could not only be cared for but also begin her education and continue developing in a loving environment. With this in mind, Forever Angels Baby Home reached out to Bethany Children's Home, and Bethany gladly welcomed Neema into its care on the 27th November 2025.

Today, Neema is thriving at Bethany Children's Home. She has adjusted well, enjoys playing with the other children, and has formed positive relationships with care-workers. She is cheerful, curious, and eager to learn. Neema is looking forward to starting Pre-school at Bethany Pre and Primary School in January 2026.

Neema's future is secure since at Bethany she will be enrolled at the Bethany Pre and Primary school and then join our new Secondary School for Girls. Everything she will need to prepare her for the day she leaves.

However, the cost of supporting Neema for the many years to come works out at approx £2 per day (£60 per month) and we are actively looking for persons willing to sponsor her at whatever amount they can afford every month.
