

## THE BETHANY PRE AND PRIMARY SCHOOL

### STANDARD SEVEN TERMINAL REPORT: JUNE 2021

CLASS TEACHER: MR. MOGEREJA PAUL

#### INTRODUCTON

Dear Mrs. Zephaniah, I am joyful to present to you a report of year seven class. First of all, I would like to thank Lord and appreciate him for protecting me and my standard seven class from the beginning of the year up to now. In general these pupils have been cooperating with me to the extent that they perform well in their studies. Therefore their general attendance since April to June is 91.6%.

#### QUALITY OF TEACHING AND LEARNING

Teaching and learning in class seven is active whereby all pupils of different learning abilities are highly involved. Due to this, the academic performance has changed positively though two of standard seven pupils didn't sit for their terminal examinations because were chosen during UMITASHUMITA for further levels in sports and games. Those pupils are **Mariam Mohamed** and **Pastory Mashiku**. Below is the table of summary which indicates different examination results from **March** to **June**.

EXAMINATION TYPE	DATE	NUMBER OF "A"	NUMBER OF "B"	NUMBER OF "C"	NUMBER OF "D"	NUMBER OF "E"	CLASS AVERAGE	GRADE
MOFET	14 <sup>th</sup> Apr 2021	1	13	5	0	0	33	B
Monthly Test	29 <sup>th</sup> Apr 2021	2	12	5	0	0	34	B
PESNO	5 <sup>th</sup> May 2021	1	8	10	0	0	31	B
Ward Exams	13 <sup>th</sup> May 2021	7	12	0	0	0	39	B
Terminal	4 <sup>th</sup> June 2021	4	10	3	0	0	36	B

From the table above, the class has maintained **B** average which is the improvement compared to some examination results like **PESNO** in last term. Furthermore, there was increase in number of **A** and decrease in number of **C** in relation with the last term. In addition to that, **four** of class seven pupils became the top four pupils in **ward examination results** which consist of **8** primary schools. As a class teacher, I am still helping my pupils to love learning and to become competent and self-controlled learners. Due to the efforts which I have towards the class, the performance will change although changes cannot happen abruptly within a short period of time. I hope positive changes will happen and pupils will be getting above their mean class average in any exam.

#### SUGGESTION

Standard seven subject teachers should work hard in teaching during both school hours and remedial time.

Finally, I would like to say thank you Head teacher for your hard working on running the school.

I wish you and your family **all the best** in this Holiday.
